Wednesday 27th March 2024

Hello everyone,

This week we have enjoyed making our own Easter Egg decorations to hang up at home over the weekend. We have been playing Easter bunny games, hiding and hunting for carrots in the garden. We have been talking about animals hatching out of eggs and have learnt a song about them. After Easter we will be hatching our own Guinea Fowl eggs in an incubator so hopefully, we will be able to see them hatching first hand!

We hope you all have a wonderful Easter break; we look forward to hearing about all your adventures when we return to Nursery.

Have a wonderful Easter holiday.

Katherine and the Team.

Thank you, Annabelle and Emma,

Last Friday we were very lucky to have some important visitors arrive at our nursery. Annabelles Mum, Emma, brought in two of her calves from the farm. They were called Heart and Blackie and we met them in their trailer where we were able to cuddle them and ask questions all about them.

Thank you so much Emma for your time.

Learning Diary Week – date for your diary

During the week beginning 22nd April we would like to invite you to come into the Nursery at drop off to have breakfast with your children and have a look at their Learning diaries with them. More details after the Easter break.
