Friday 11th October 2024

Hello everyone,

This week the children have been looking for signs of Autumn and have been using Autumn leaves and pasta to make necklaces. They used hole punches to make holes in the leaves. Next week we are going to drill holes in conkers to make necklaces. **IF YOU GO FOR A WALK AT THE WEEKEND, PLEASE CAN YOU COLLECT SOME CONKERS FOR US TO USE?**

We have a new hammock for the garden and the children have been relaxing even in the rain!

On Tuesday the children had a go at making their own play dough, pouring mixing and measuring.

After lunchtimes this week the children have been learning Peer to Peer massage. We listen to peaceful music, have a scented diffuser and gently massage our friends.

"There are few things finer than a walk among the trees on an autumn day."

- Laura Jaworski -
