## Friday 23rd January 2026

On Thursday we went on an adventure to the quarry viewing platform. We stopped for a snack at the picnic tables and on the way back we slid down an enormous mud slide and visited the swings. There were lots of muddy puddles to splash in and we were very muddy when we returned to Nursery!

The children have been painting in The Nest studio. We have been looking at some paintings by Claude Monet to inspire us!

We have been playing games, learning to wait patiently for our turn. We have welcomed some new children to our Nursery.

Thank you to everyone who is continuing to make donations of snacks for our snack café. The children love to prepare the food for their friends and soon, we will be cooking our own snacks to serve in the café.

Thank you, Skye - Skye has been with us for her work experience this week and it is her last day today. She has been SO lovely with the children, and we hope she will come back to visit us soon!
