HAPPY  
HAPPY  
HAPPY  
NEW YEAR!

Happy New Year everyone and welcome back to Mells Nursery. We have really enjoyed hearing all about your Christmas adventures, whether in this country or abroad! The children are quickly settling back into their familiar Nursery routines and happily refamiliarising themselves with everything the nursery has to offer. The grown-ups at nursery have been spoilt with lots of cuddles and children excited to play with them again. We have been exploring the ice and frozen ground outside and have been playing games, making dens and junk modelling inside. After lunch during our quiet time, we have been reading stories together, having peer massage in the Cosy cave, snuggling in the book corner or doing our dough gym (exercises using our hands and fingers in play dough).

### Snack Donations

The children are taking turns to prepare food and set up the snack café during registration time in the morning. They then invite their friends to visit the café when they are hungry during the morning session.

Please can we ask for donations of fruit, cereals, bread, spreads or anything else your child may like to share with the children in the cafe. We don't need donations from all of you every week, but we are short of food at the moment. Thank you

**Christmas Raffle** - Thank you to everyone who bought raffle tickets before Christmas. All the lucky winners have now been contacted and received their prizes - This and the biscuit decorating stall at The Talbot made an amazing £1375. Thank you all and a huge thank you to Annie for organising.
