Friday 22nd March 2024

Hello everyone,

This week we have enjoyed some beautiful spring days; we went on two long walks to the quarry viewing platform and enjoyed hot chocolate on the new picnic benches. We saw the cows, lots of tractors and found some very muddy puddles to paddle in. Back at Nursery we have enjoyed picnic lunches outside and have used all of our outdoor areas for water play, tools, climbing, mud pies, pirates in the sand pit – the list could go on! We have been learning some new Easter songs and talking about new life in the spring. We have welcomed a Pheasant to our Nursery who is starting to feel brave enough to come into our garden, Dougie has decided he can be called Chicken!

Have a wonderful weekend.

Katherine and the Team.

Mells Fete

On Monday 6th May the Village of Mells will be hosting a Fete to celebrate its rich village history. Mells Nursery will be running a café in The Tythe Barn on the day. This is not only a great opportunity to enjoy our lovely village but is also an opportunity for us to raise funds for our Nursery. After Easter there will be a signing up sheet for anyone who is available to help for a couple of hours on the day or make cakes to sell in the café. Please check your diaries to see if you are available to help. Thank you!

Learning Diary Week – date for your diary

During the week beginning 22nd April we would like to invite you to come into the Nursery at drop off to have breakfast with your children and have a look at their Learning diaries with them.
