Friday 25th October 2024

Hello everyone,

This week we have been enjoying our pumpkin party week. The children have enjoyed carving pumpkins, painting and printing pumpkins and making pumpkin shaped biscuits. They have used orange play dough to make their own pumpkins. We hope you all have a lovely week with your children during half term. It is a staff training day on Monday 4th November so we will be starting back on 5th November.

Learning Diary Week

This term we have been getting to know and continuing to build relationships with all of the children. We observe and document children's learning and each child has a focus week, when we really tune into their development. The children would like to share their Learning Diaries with you after half term. So, during the week beginning 11th November, you are invited to arrive early at Nursery pick up (from 2.40pm) on a day that your child attends and you will have an opportunity to look through your child's learning diary with them and chat to your child's key person.

How many seeds in the pumpkin competition

Well done to everyone who entered our competition and guessed how many seeds might be in our large pumpkin. Today we cut open the pumpkin and counted 407 seeds! Congratulations to Noah who guessed 420. You have won some pumpkin goodies.

Thank you for your entries which raised £17.00 towards Nursery funds.
