Friday 5th July 2024

Hello everyone

This week the children have been busy working on their woodwork skills, building different types of transport. On Tuesday we took some of our older children to watch the Mells School sports day and they joined the pre-school running race. On Thursday, the wind inspired the children to make kites and we found a great use for a nappy bag, they fly beautifully!

Open Gardens - Thank you

Thank you to everyone who helped towards the Mells Open Garden event last weekend, making cakes or supporting on the day. I would like to say a particular thank you to Merryn and the wonderful team of staff who gave up their precious Sundays to help out (While the Nursery Manager was galivanting in Barcelona!) We are so incredibly lucky to have a team so dedicated to the Nursery. I have had reports about how many people commented on how lovely our Nursery looks but we know that the staff really make it complete x

Including the extra cake sale on Monday, we raised an amazing £435.00!

Goodbye and thank you Caroline.

Caroline has been cleaning for us this year and now her last child is moving on to school, it is time for us to say farewell. Thank you for helping us this year Caroline and good luck for all you do in the future.

Sponsored Scoot

Don't forget that children can bring in their own bikes or scooters (with helmets please) every day next week for our sponsored scoot. We will be travelling around the track as many times as we can during the week. PLEASE REMEMBER TO GET SOME SPONSORS! (In our experience the children do tend to do more laps than you'll expect!)

Mells Nursery Cleaner Vacancy

We are looking to appoint a self-employed cleaner from September 2024. The hours will be a minimum of 7 hours a week and can be flexible outside of Nursery working day hours. If you or anyone you know may be interested in working with us at our wonderful Nursery then please let us know.
