Dear All,

*A delivery of huge boxes led to lots of den, tunnel and explorative play. The children created stories around their play and changed one of the boxes into a slide. We have enjoyed some glorious sunny days and this has inspired us to go on adventures, we found some very muddy puddles and paths, used the woodland swings and found a great little spying den so we could spy on the school and Nursery!*

## Box fun

## Muddy adventures!

## Lunch Boxes and Water bottles

As I am sure you're aware we have limited space in our entrance hallway. We have a new unit for lunch boxes and a separate water bottle trolley. Please can you help us by bringing lunch boxes that are not too big and helping the children to fit them onto the shelf when they arrive in the mornings. If you have an item that doesn't fit in a lunch box, please make sure it is named (we will leave stickers and pens on the shelf).

Our spying den!
