Dear All,

This week we have been celebrating LOVE at Mells Nursery. Lots of children have brought in their most loved teddies from home and have been making valentines cards for them. The children have been exploring hearts in the red play dough and we have enjoyed stories about love. On Wednesday and Thursday some of the children went on an adventure to the woods and spent a long time exploring, making dens, sliding, swinging and looking for bugs.

Happy Valentines Day
everyone

Families Favourite Songs

This week we have one of Archie's family's favourite songs -

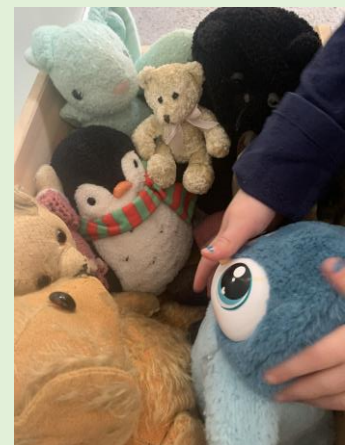

I like to move it

by Reel to Real.

After half term we will pick a new song from the box. Don't forget to add your favourite in the box.

Meeting our most
loved teddies.

"I love all of the
teddies" Isla

"So do I!" Elodie
