Friday 5th December 2025

Snowman film night arrangements for next week.

On Wednesday 10th December at 5pm, please bring your Nursery child to Nursery (they may wear their PJs if they wish.)

Katherine will meet the Nursery children at the door and take them inside for the film, cookie & hot chocolate.

All parents will then be able to gather at the fire pit in the Woodland area for a catch-up with each other, mince pie and mulled wine. If you are bringing any siblings with your child, they will need to stay with you in the Woodland area and it will be your responsibility to ensure they stay safe, especially near the fire pit.

To enable us to provide a magical experience for our existing Nursery children and due to the potentially high numbers of children this year, parents and siblings will not be allowed in the main building, but it will be a magical experience for you outside too!

Huge thanks to

Ryan of

Ryan's Christmas Tree Farm
in Dean near Shepton Mallet
for donating our Christmas
Tree to us this year.
