Friday 27th September

Hello everyone,

This week the children have absolutely loved the rain; at the beginning of the week this involved making paper boats and exploring floating and sinking in the puddles. On Thursday we had sunshine and showers and some of the children went on an adventure to the quarry, exploring puddles and looking for rainbows. The children have returned often to an interest in making rivers, lakes and ponds in the sand pit, digging the holes and transporting water. We have all been enjoying the tasty raspberries growing in our garden, collecting and eating the ripe ones each day.

A huge thank you!

We would like to say an enormous thank you to Tom (Wren's dad) who gave up one of his Saturdays to mow and trim our Nursery Garden and paths to our new exploring area. THANK YOU, TOM!
