Friday 27<sup>th</sup> February 2026

On Tuesday we all had a big surprise when Timmy woke from his hibernation & wandered out of our outdoor cupboard, we don't know how he managed to push off the lid to his box or get down from the shelf, but he was obviously very keen to see us all again! We have been giving him warm baths, have filled his house with straw and are very happy to have him back.

We have been talking about Lunar New Year and have been listening to the story of how the years got their animal names. They all have a race across a river, and the first 12 animals have a year named after them.

## Music of the week...

This week Silver was telling us all about one of her daddy's favourite songs and we remembered how much we enjoyed listening to our parents' favourite songs last year. So, mums and dads and grandparents, if you have a favourite song, please write it down on a piece of paper and pop it in the box provided at the front of the Nursery. We will pick out a song to listen to each week.

## Bath Ultra Challenge

We are so lucky to have such supportive families and want to take this opportunity to thank Carl Crouch, (Arthur's dad), who is completing the Bath Ultra Challenge at the end of March to raise money for the Nursery. Please see the poster from Carl on the next page.

**Carl (Arthurs Dad) is running the Bath Ultra Challenge 2026 on the 28<sup>th</sup> of March!**

**He is attempting to complete this challenging 50km/31m route which involves over 3000ft of climbing in under 7 hours.**

**Please consider supporting him in his run by donating to Mells Nursery on Carl's Just Giving Page. His Target is £310 (£10 for every mile).**
