Friday 19<sup>th</sup> April 2024

Welcome back everyone,

We hope you all enjoyed your Easter break with your families. This week after a rainy start, we have made the most of the sunshine. Our Guinea Fowl eggs are being well cared for in the incubator and the children have had a chance to carefully hold one in their hand. Some of the children stroked the egg, some talked to it and some listened to see if they could hear the chick inside. I think the children are going to make very good mummies and daddies when they hatch out next week! On the theme of babies, we have been to visit the lambs in the field opposite the Nursery, the children watched them very quietly so as not to frighten them and enjoyed seeing them drinking milk from the sheep, skipping and baa-ing to find their mums and licking the salt lick.

Have a lovely weekend everyone

Katherine and the Team

## Parent Help at Mells Fete – Monday 6<sup>th</sup> May

Next Week we will have sheets for you to sign-up to help at our café or make a cake for us to sell. Staff will have the sheets on the door so please sign up if you can help.

## Learning Diary Week – NEXT WEEK

We would like to invite you to come and look at your child's learning diary with them one morning next week. Come in with your child in the morning on a day they usually attend and they will be able to share their diary with you. Some mornings may be busier than others so please bear with us. If you would like to speak privately or in more depth with your child's Key person, please arrange a suitable time with them.

## Goodbye and good luck

It is always sad when we say 'goodbye' to one of our lovely families and this is no exception. It was the Chapman families last day with us yesterday. We all feel so lucky to have met you all and wish you lots of love and happiness in your new home in the North.

## London Marathon – Sunday 21<sup>st</sup> April

We would like to wish Vicki (Mells Nursery Chairperson) and Marly lots of luck for their marathon run this weekend, we know you will be amazing; enjoy the day.

Vicki is running as a guide to visually impaired Marly and they are raising funds for British Blind Sport.

If you haven't already donated and would like to, please follow this link to their JustGiving page - [Vicki Pike is fundraising for British Blind Sport \(justgiving.com\)](https://www.justgiving.com/Vicki-Pike)
