

Newsletter

Tuesday 23rd July 2024

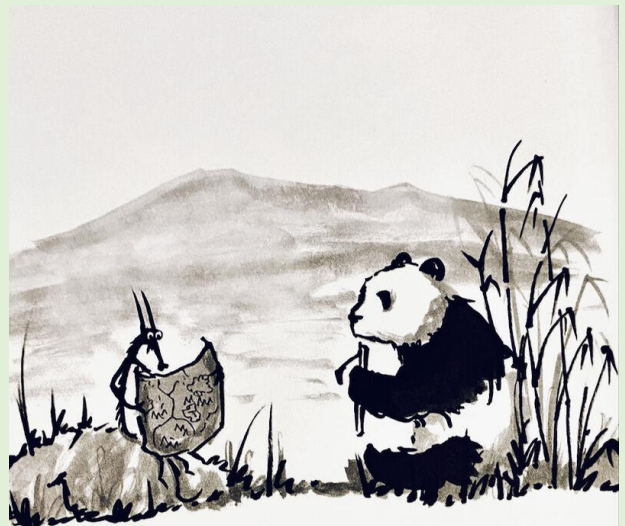

Hello everyone

Yet again I find myself writing my last newsletter of the year and saying farewell to another group of amazing children. This year has been a year of change at Mells Nursery as we have said goodbye to Liz and Philippa and have welcomed Rhiannon and Harriet. I am pleased to say that Mells Nursery continues to grow and flourish, we are incredibly lucky to have a staff team who care, understand and love your children. I would like to say a huge thank you to them all for being such an important part of making our Nursery the magical place it is.

I would also like to say thank you to all of our families who saw something in Mells and have trusted us with their most precious children. The time with your children flies by but we certainly have memories of them that will last a lifetime.

Lastly, we would like to thank you for all your kind words, cards and gifts including a very beautiful bench that we know future families will enjoy.

We wish many of you love and luck on your next adventure to school and others a wonderful summer before we see you again in September. Katherine & the team.

To the adventurers, explorers,
writers, mathematicians, artists...

To all the brave, determined,
caring and curious also known as
Mells Nursery children

Enjoy discovering your own path!

'The map doesn't show
where I'm supposed to go,'
said Tiny Dragon.

'Your journey isn't shown
on any map,' said Big Panda.
'You must discover your own path.'
