Friday 10th October 2025

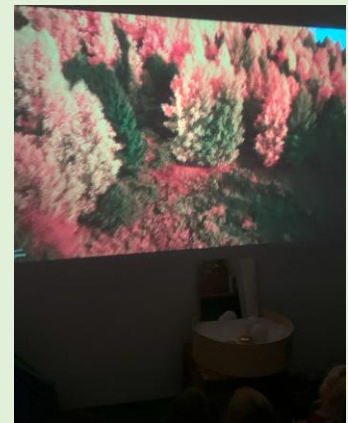

At the beginning of the week, we made vegetable soup with vegetables we had grown in the garden; this year we seem to have grown very trendy micro vegetables so had to supplement them with some from the shops!! So, the children helped to peel and chop leeks, parsnips and butternut squash, we then had some tasty soup to try at lunchtime.

We have been playing our musical instruments this week, learning to watch the conductor who indicates when to play/stop/play loudly/play quietly. We have been learning autumn songs and rhymes and using our singing scarves (floaty scarves) to move in response to the songs and rhymes.

IMPORTANT - Next September school starters

I know many of you are starting to look at schools for next year and have been to open days and visits. This is a reminder that you can apply for a school placement any time from now with the deadline being 15th January 2026. If you want to chat about school and your decisions, then please catch us at Nursery or make an appointment.

In the Cosy Cave we have been listening to peaceful music and watching images of Autumn.

PLEASE REMEMBER TO WRITE A WISH ON THE PARENTS WISH BOARD

There is a small white board at the front of the Nursery. It would be great if you could write down a wish you have for your child this year so that we can have your voices included in the provision we offer your children.

Please see next page for AGM information
