Friday 12th July 2024

Hello everyone

This week we have been scooting and cycling around our Nursery track. The children have enjoyed bringing in their bikes and scooters from home and have shown great energy and perseverance. Some children have done over 100 laps in a day! We are sending home children's totals so they can start collecting their sponsor money. Thank you all for your support with this.

It has been lots of fun but also exhausting!

Mells Nursery Cleaner Vacancy

We are looking to appoint a self-employed cleaner from September 2024. The hours will be a minimum of 7 hours a week and can be flexible outside of Nursery working day hours. If you or anyone you know may be interested in working with us at our wonderful Nursery then please let us know.
